- Teach a 2-3 week curriculum that involves 7th to 12th grade campers forming their own startup teams, working together to launch a new product or service and learning about ideation, financials, marketing, branding, presenting, and selling.
- Lead trips to Boulder and Denver to tour local companies, experience the startup community, meet with local entrepreneurs, and help the camper Startup Teams develop their product or service
- Integrate guest entrepreneurs into the daily programming
- Work with the Judaic Program Coordinator to integrate Jewish values into the entrepreneurial curriculum
- Work with the Judaic Program Coordinator to implement the Jewish Teen Funders Network curriculum
- Participate in, and occasionally lead, evening activities
- Coordinate a weekly pitch day
- Staff Orientation: Participate in pre-camp staff orientation and train bunk counselors to be exceptional program assistants for your business curriculum

General Staff Responsibilities:

- Responsible for the health, safety, and happiness of ALL campers at ALL times
- Attend regular meetings, participate in formulation and implementation of camp policy
- Directly responsible for the cleanliness and care of living space includes pre and post camp inventory of housing
- Assist in facilitation and execution of all-camp programs as determined by the camp administration
- Participate regularly and enthusiastically in all camp programs
- Adhere to goals, mission, and philosophy of Camp Inc.
- Desire and ability to work with children and young adults in a camp setting
- Access to educational resources and topics
- Be a self-starter and able to work with minimum amount of supervision
- Ability to motivate, manage, and steer campers and camper teams to successful, educational outcomes
- Ability and willingness to teach and live in camp community
- Ability to communicate with, relate to, and serve as an example to all campers and staff
- Willingness and ability to take full responsibility for safety and security of campers
- Ability to give and receive guidance, constructive feedback, and support
- Ability to use Microsoft Word, Excel, PowerPoint, Google Docs, Photoshop
- Ability to use and teach a variety of technologies such as social media, SaaS website builders, graphic design sites, and more
- At least 3 years of experience teaching entrepreneurship and business to teens is required
